Del Mar residents to enjoy  
our famous ocean views.  
*It's open and ready for you.*

## The Powerhouse: A Del Mar Landmark

Del Mar residents are fortunate for many reasons, and the Powerhouse Community Center is yet one more. Perched on the bluff overlooking near-perfect waves washing upon white-sand beaches, the Powerhouse has become one of the finest and most beautiful public facilities anywhere.

From its beginning as a power plant in the early 1900's, to its days as a nightclub in the 50's, to its time as an experimental desalination plant, the Powerhouse has always been a landmark in Del Mar. It is as rich in history as it is in ambience.

It now stands open to the Del Mar community with stately elegance. Cool, trellis-covered verandas with perfectly framed views of palms and surf call out for visitors to sit, relax and absorb the beauty. Inside, with wide open spaces that blend effortlessly with the view decks just outside, is perfect for almost any occasion.

## An Orchid on the Coast:

Great care was spent making sure the Powerhouse was transformed into a community center that all people of Del Mar would enjoy and point to with pride. With its ledge rock walls and English garden ambience, the Powerhouse achieves all that it was designed to and more. The greater San Diego architecture community agrees, bestowing a coveted Orchid Award at the 2000 awards program to Del Mar's Powerhouse Community Center.

We invite you to take advantage of this community treasure.*

## A Gathering Place For Family and Friends

Ensuring that Del Mar Citizens are given ample opportunity to use the Powerhouse was one of the most important goals of the City of Del Mar. For that reason, the City limits the number of private engagements each week. Otherwise, the Powerhouse is open for the use of Del Mar residents and businesses.

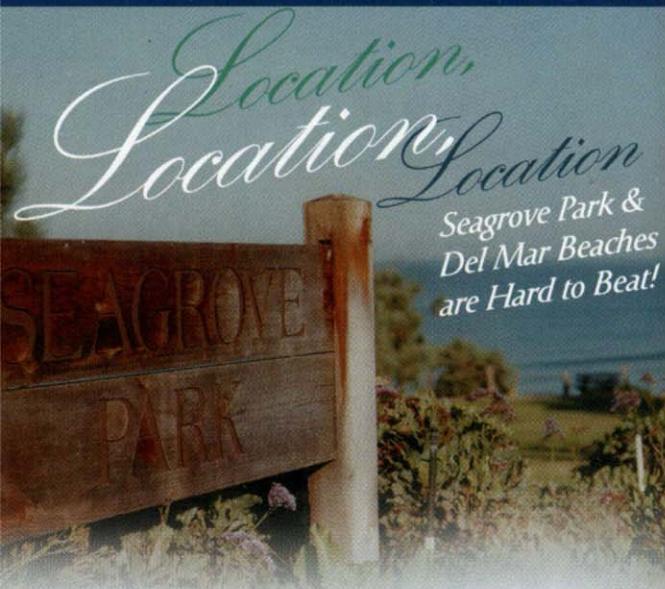

Del Mar residents are encouraged to take advantage of the picturesque location and scenic views of the Powerhouse by using it as a gathering place for family and friends or simply as a place to come and enjoy for a quiet afternoon by the beach.

Except for the limited times when used for private events, the Powerhouse Community Center is open and available for the enjoyment of Del Mar residents during the following hours:

June - Sept. 10:00 a.m. - 6:00 p.m.

Oct. - Dec. 10:00 a.m. - 5:00 p.m.
