Re: Priorities in Covid Times

The Del Mar Arts Advisory Committee (AAC) is requesting that the city council allow the Del Mar Foundation to renew its commitment to continue to support the AAC meetings quarterly for the next fiscal year 2021/2022. The AAC meetings will allow the committee to continue its programs to enhance the quality of life of its residents and to help enhance the business environment in Del Mar. This past fiscal year we have operated with minimal city staff time and involvement and foresee being able to continue to operate this way during the next fiscal year. We hope that you will approve of this generous offer from the Del Mar Foundation.
