Del Mar Farmers Market proposed temporary relocation to the Shores Park Upper Lot

Dear Mayor and City Council Members,

The imminent development of the city hall property obliges the market to temporarily relocate. We are in the process of submitting a Uniform Development Application and a Coastal Development Permit.

The market is a non-profit entity, therefore, we respectfully request that all fees associated with these permits are waived.

Thank for your kind consideration.

Sincerely,

The DMFM Relocation Committee
Valerie Fanning, President
Rita Meier, Treasurer
Leslie Robson, Director of Events
