

# SANDAG

September 11, 2025

Week of Monday, September 15

## Del Mar Bluffs 5 Stabilization Project

Starting **Friday, September 19, 2025, at 10 p.m. through Monday, September 22, 2025, at 5 a.m.** construction crews will be working continuously (daytime and nighttime) on bluff stabilization in the railroad right-of-way. All train activity will be stopped between Oceanside and Downtown San Diego to accommodate nonstop construction work.

- **11th Street – 10th Street:** Crews will be performing drainage ditch construction through **October 2025**, which will partially limit access to the railroad right-of-way. Temporary fencing will be in place during the work to keep people safe.
- **Sea Cliff Park:** The southern section is closed **until mid-2026** for construction.
- **Beach:** Work near the seawalls along the project area will take place throughout **summer 2025**.
- **6th Street and Sherrie Lane:** Crews will install splash walls—small curb-like walls—behind drainage channels at the end of the street to keep water contained during heavy rain and prevent erosion.

*A splash wall behind the drainage channel near 7th Street.*

## LOSSAN Rail Realignment Project

SANDAG is conducting geotechnical testing in several locations within the cities of Del Mar and San Diego to learn more about the underground soil structure. Crews may begin marking the road where utilities are located near testing sites. [Learn more about the project.](#)

- Work will continue on **Recuerdo Drive** and will begin on **10<sup>th</sup> Street** near Camino Del Mar on Tuesday, September 16.

*Note: Construction schedules are subject to change.*
