Week of Monday, September 22

Del Mar Bluffs 5 Stabilization Project

Starting **Friday, September 19, 2025, at 10 p.m. through Monday, September 22, 2025, at 5 a.m.** construction crews will be working continuously (daytime and nighttime) on bluff stabilization in the railroad right-of-way.

All train activity will be stopped between Oceanside and Downtown San Diego to accommodate nonstop construction work.

Substantial work will occur between **Sea Grove Park and 7th Street**, with continuous activity along the beaches and NCTD railroad right-of-way throughout the weekend.

LOSSAN Rail Realignment Project

SANDAG is conducting geotechnical testing in several locations within the cities of Del Mar and San Diego to learn more about the underground soil structure. Crews may begin marking the road where utilities are located near testing sites. [Learn more about the project.](#)

- Work will continue on **10th Street** near Camino Del Mar and will begin on **Recuerdo Drive** north of Cordero Road.

Note: Construction schedules are subject to change.
