Del Mar Bluffs 5 Stabilization Project

- **8th Street – 7th Street:** Crews will be doing night work from **Sunday, October 5 – Thursday, October 9.**
 - Expect construction-related noise, required backup alarms from vehicles, and bright lights used to illuminate work areas.
- **11th Street – 10th Street:** Crews will be performing drainage ditch construction through **October 2025**, which will partially limit access to the railroad right-of-way. Temporary fencing will be in place during the work to keep people safe.
 - **11th Street:** Crews will be staging equipment and accessing the project area. Parking will be limited on this street through **Monday, October 27.**
- **15th Street – Sea Orbit Lane:** Crews will be grading along the bluffs.
 - **Near 15th Street:** Crews will be doing night work from **Sunday, October 5 – Tuesday, October 7.**
- **Sea Cliff Park:** The southern section is closed **until mid-2026** for construction.
- **Beach:** Periodic work near the seawalls along the project area will take place through **summer 2026.**

LOSSAN Rail Realignment Project

SANDAG is conducting geotechnical testing in several locations within the cities of Del Mar and San Diego to learn more about the underground soil structure. Crews may begin marking the road where utilities are located near testing sites. [Learn more about the project.](#)

Work will begin:

- In the Del Mar Public Works parking lot
- Near the intersection of Seaview Avenue and Luzon Avenue

Note: Construction schedules are subject to change.
