Week of Monday, October 20

Del Mar Bluffs 5 Stabilization Project

- **6th Street – 8th Street:** Crews will be doing construction work during the day in this area.
- **10th Street – 11th Street:** Crews will be performing drainage ditch construction through **October 2025**, which will partially limit access to the railroad right-of-way. Temporary fencing will be in place during the work to keep people safe. Parking will be limited on this street through **late November**.
- **12th Street – Sea Grove Park:** Crews will be grading along the bluffs.
- **Sea Cliff Park:** The southern section is closed **until mid-2026** for construction.
- **Beach:** Periodic work near the seawalls along the project area will take place through **summer 2026**.

Note: From Friday, October 24 through Monday, October 27, crews will be working continuously, day and night, in the railroad right-of-way along the bluffs between 4th Street and Coast Boulevard. Trails may be periodically closed during this time.

LOSSAN Rail Realignment Project

SANDAG is conducting geotechnical testing in several locations within the cities of Del Mar and San Diego to learn more about the underground soil structure. Crews may begin marking the road where utilities are located near testing sites. [Learn more about the project.](#)
