Let's Talk About Your Energy Needs

Clean Energy Alliance (CEA), your community power provider in North San Diego County, wants to hear from you! Join us at an upcoming community workshop to share your energy-related challenges and help shape future programs, rebates and incentives in your community.

By participating, you can:

Share your experiences and energy needs at home or in your business

Learn about current and future clean energy programs

Help decide which initiatives matter most for our community's future
