

Week of Monday, November 3

Del Mar Bluffs 5 Stabilization Project

- **6th Street – 8th Street:** Crews will be doing construction work during the day in this area.
- **10th Street – 11th Street:** Crews will be performing drainage ditch construction through **November 2025**, which will partially limit access to the railroad right-of-way. Temporary fencing will be in place during this work to keep people safe. Parking will be limited on these streets through **late November**.
- **8th Street – Seagrove Park:** Crews will be grading along the bluffs.
- **Sea Cliff Park:** The southern section is closed **until mid-2026** for construction.
- **Beach:** Periodic work near the seawalls along the project area will take place through **summer 2026**.

LOSSAN Rail Realignment Project

SANDAG is conducting geotechnical testing in several locations within the cities of Del Mar and San Diego to learn more about the underground soil structure. Crews may begin marking the road where utilities are located near testing sites. [Learn more about the project.](#)

- Work will begin at the following locations:
 - Dirt access road adjacent to I-5
 - Dirt lot off Crest Road
 - Sorrento Valley Road near the I-5 knoll
 - Sorrento Valley Road near the pump station

Schedule is subject to change.
