

Week of Monday, November 10

Del Mar Bluffs 5 Stabilization Project

- **8th Street – Seagrove Park:** Crews will be grading along the bluffs.
 - There will be night work on **Sunday, November 9 and Monday, November 10** and **Sunday, November 16 and Monday, November 17**. Expect construction noise and bright lights.
- **6th Street – 8th Street:** Crews will continue daytime work through the end of November.
- **10th Street – 11th Street:** Crews will continue drainage ditch construction through **November 2025**, which will partially limit access to the railroad right-of-way. Temporary fencing will be in place during this work to keep people safe. Parking will be limited on these streets through late November.
- **Sea Cliff Park:** The southern section is closed **until mid-2026** for construction.
- **Beach:** Periodic work near the seawalls along the project area will take place through **summer 2026**.

Trail Access: Starting **mid-November** crews will be closing the walking trail along the bluffs between **Sea Cliff Way and 4th Street** to stabilize the area. Expect construction equipment and fencing in the area.

LOSSAN Rail Realignment Project

SANDAG is conducting geotechnical testing in several locations within the cities of Del Mar and San Diego to learn more about the underground soil structure. Crews may begin marking the road where utilities are located near testing sites. [Learn more about the project.](#)

- Work will continue at the following location:
 - Dirt lot off Crest Road
- Work will begin at the following locations:
 - Sorrento Valley Road near the pump station

Schedule is subject to change.
