

Week of Monday, November 13

Del Mar Bluffs 5 Stabilization Project

- **6th Street – Seagrove Park:** Crews will be grading along the bluffs and continue daytime work through the end of November.
- **10th Street – 11th Street:** Crews will continue drainage ditch construction through **November 2025**, which will partially limit access to the railroad right-of-way. Temporary fencing will be in place during this work to keep people safe. Parking will be limited on these streets through late November.
- **Sea Cliff Park:** The southern section is closed **until mid-2026** for construction.
- **Beach:** Periodic work near the seawalls along the project area will take place through **summer 2026**.

LOSSAN Rail Realignment Project

SANDAG is conducting geotechnical testing in several locations within the cities of Del Mar and San Diego to learn more about the underground soil structure. Crews may begin marking the road where utilities are located near testing sites. [Learn more about the project.](#)
