A [report \[http://www.delmar.ca.us/DocumentCenter/View/1606\]](http://www.delmar.ca.us/DocumentCenter/View/1606) on phase one of the Master Plan process was presented to the City Council on July 6, 2015, which included the identified list of tier 1, tier 2, and tier 3 potential amenities for the project, as well as "guiding principles" that were identified for how the community feels the park should be developed. The City Council [staff report \[http://www.delmar.ca.us/AgendaCenter/ViewFile/Agenda/07062015-878\]](http://www.delmar.ca.us/AgendaCenter/ViewFile/Agenda/07062015-878) (Item 12) is available for review, as well a [video recording \[http://delmar.12milesout.com/video/meeting/bec00fb3-2149-4bb9-b0d9-fe31971c944e\]](http://delmar.12milesout.com/video/meeting/bec00fb3-2149-4bb9-b0d9-fe31971c944e) of the presentation by Schmidt Design Group and the City Council discussion (Item 12).

"Plan Your Park" Workshop - October 18th

A "Plan Your Park" community workshop is scheduled for Sunday, October 18th, from 2:00 to 4:00pm at the Winston School Auditorium (215 9th Street).

Participants will weigh in on their vision for the character and style of the park amenities, as well as work hands-on to develop potential layout ideas for the park.

Schmidt Design Group, the landscape architect consultant for developing the park master plan, will use the ideas gathered on October 18th as they develop three design alternatives for how the amenities could be situated on the site.
