## Public Works Department

### **Adopt-a-Spot Application**

City Council Resolution #2008-74

**Your Goal for the Property:**

---

---

---

---

**Public Property Location/Description** – provide street address or specific location limits and attach a sketch of the plot with dimensions and boundaries or borders identified. If applicable, add landmarks such as hydrants, utility poles, etc.:

---

---

---

---

**Proposed Maintenance Efforts** – watering, trimming, weeding, etc. (if available, reclaimed water should be used):

---

---

---

---

### **Adopt-a-Spot Application**

City Council Resolution #2008-74

**New or Existing Plants:** if application includes request for new plants or removing existing plants, a list of said plants must be written below, with maximum height and width of new plants at maturity. Plot plan should indicate where each plant would be planted or removed.

---

---

---

---

**Hardscape:** if hardscape is included (such as pavers, stones, beach pebbles, etc.), each element must be described below and applicant must explain how elements will be delivered. The hardscape is to be maintained to the approved condition.

---

---

---

---

**Assistance Requested:**

---

---

---

---
