Conflict of Interest Code

INTRODUCTION

The Political Reform Act of 1974 (Government Code Sections 81000 et seq., "Act" herein), requires the City to adopt and promulgate a Conflict of Interest Code ("Code" herein). The Fair Political Practices Commission has adopted a regulation, 2 California Code of Regulations Section 18730, which contains the terms of a standard model Conflict of Interest Code, and amendments thereto by the Fair Political Practices Commission in accordance with the Act.

Nothing in this Code is intended to modify or abridge the provisions of the Act commencing with Government Code Section 87100, which is applicable to all public officials of the City and directs that no public official of the City shall make, participate in the making, or in any way attempt to use their official position to influence a City decision in which the official knows, or has reason to know, that he or she has a financial interest as defined by the Act.

Nothing in this Code is intended to modify or abridge the provisions of the Act commencing at Government Code Section 87200, which requires the Mayor, members of the City Council, City Manager, City Attorney, City Treasurer, and members of the Planning Commission to file a financial disclosure statement using the Fair Political Practices Commission Statement of Economic Interests (herein referred to as "Form 700").

This Code designates those public officials of the City who are involved in City decisions, and to require designated officials to disclose those financial interests (using Form 700) which could foreseeably be affected, in a material manner, by a City decision made by the official in the performance of the official's responsibilities.

AMENDMENT OF THE CONFLICT OF INTEREST CODE

Certain changes in circumstances require amendments to the Conflict of Interest Code. Changed circumstances include, but not are limited to, the following: the creation of new positions which must be designated pursuant to this Code and relevant changes in the duties assigned to existing positions. [Government Code Sec. 87306, Subdivision (a)] Within 90 days after the changed circumstances necessitating the amendment to this Code become apparent, the City Manager, or their designee, shall submit a proposed amendment to the City Council. [Government Code Sec. 87306, Subdivision (a)] The Code shall be amended by resolution of the City Council.

REVIEW OF THE CONFLICT OF INTEREST CODE

No later than July 1 of each even-numbered year, the City Manager, or their designee, shall review the Code [Government Code Sec. 87306.5, Subdivision (a)].

If a change in the Code is necessitated by changed circumstances, it shall be amended by resolution of the City Council. If no change in this Code is required, the City Manager or their designee, shall submit a written statement to that effect to the City Council no later than October 1 of the same year [Government Code Sec. 87306.5, Subdivision (b)].

STANDARD CODE

By this reference, 2 California Code of Regulations, Section 18730, the Standard Conflict of Interest Code, is incorporated herein together with each and every amendment thereto duly adopted by the Fair Political Practices Commission. The filing officer shall maintain three copies of the Standard Conflict of Interest Code for public review.

Unless otherwise indicated, the definitions of the Act, regulations, and amendments thereto, and binding judicial opinions thereon, are incorporated herein, and the Code shall be interpreted in a manner consistent with such definitions.
