<b>106</b>	<b>CITY'S PARTICIPATION AS AMICUS</b>	<b>DATE REVISED:</b>	9-15-2014
		<b>BY RESOLUTION:</b>	2014-70
		<b>PAGES:</b>	1 OF 1

**POLICY:**

It shall be the policy of the City Council that the City Attorney is authorized to consent to *amicus* participation under the following conditions:

1. The League of California Cities is supporting the request; or
2. The City's existing policy supports the issues being litigated.

If the matter being litigated is a subject of controversy within the City, or the City's participation is likely to involve the City in a controversy, then only the City Council may authorize the City's *amicus* participation. In that case, the item will be presented to the City Council if the City Attorney and the City Manager feel very strongly that the City should participate.
