DESIGN REVIEW BOARD

The Del Mar Design Review process is intended to preserve and improve the scenic amenities of Del Mar and to protect the city's natural environment, its scenic vistas and the community's overall aesthetic quality. The Design Review process encourages good design, including the use of harmonious materials and colors, and the appropriate use of landscaping. In addition to protecting the city's scenic and natural resources, the Design Review process also has the desired effect of protecting property values.

As part of the review process, application proposals are evaluated for their consistency with the provisions of the Del Mar Community (General) Plan and with the City's Zoning Ordinance as well as consistency with the applicable Design Review standards, found in the Design Review Ordinance (DRO). The Design Review Board's review involves an evaluation of a structure's placement and size, the materials and colors to be used, and in the case of a new structure, the type and extent of the landscaping proposed. It also involves an evaluation of the project's compatibility with surrounding development.

This board was established by Ordinance 129, and Ordinance 465.

The Design Review Board Policy Manual is available at:

FINANCE COMMITTEE

The Finance Committee was established in 1988 (Resolution 88-66, amended by Resolution 2007-50) to carry out financial and economic studies at the request of the City Council, to assist the City Manager and City staff as a committee or as individuals in finance or economic related projects; review on a quarterly basis, the City Treasurer's Financial Status Report and make such reports and recommendations to the City Council as the committee may deem necessary and appropriate; and to review the annual Audit Report, report on internal control evaluation and any other comments of administrative nature submitted by the City's Auditor, and make a report and recommendation to the City Council as deemed necessary and appropriate by the committee.

The committee also researches and reports on financial issues of interest to council. Examples of some of the Finance Committee's reports include:

- Analysis of Law Enforcement Alternatives
- Long-Range Financial Planning
- Establishment of a Pension Reserve
- Analysis and Recommendations on City Financing Capacity for the City Hall Project
- Review of the Budget and Financial Statements
- Review of Rates and Charges
- Analysis and Development of New Revenue Sources
- Analysis of Underutilized City Property

PARKS & RECREATION COMMITTEE

The Parks and Recreation Committee was established in 1979 to administer the parks and scenic preserves and to plan for specific development of open space.

This committee is dedicated to providing oversight of the city's beautiful parks and open space areas. Some of these areas include Powerhouse and Seagrove Parks, Riverpath Del Mar, the City Tennis Courts, and other city-owned grounds enjoyed by our residents and visitors. The committee also works to improve access within and between the parks and the beach.

Examples of recent committee accomplishments include the redesigned children's play area (Tot Lot), improved bluff-top access at Powerhouse Park, and landscape beautifications along Camino del Mar. The committee is currently assessing a network of pathways to make the town more walkable. The committee actively considers citizen's requests, proactively pursues improvements with the park areas, and works with city staff to solve park deficiencies.

SAN DIEGUITO LAGOON COMMITTEE

The San Dieguito Lagoon Committee is charged with overseeing the preservation and enhancement of the San Dieguito Lagoon. The committee participates on both local and regional levels. Locally, the committee is provided with monthly sampling reports to monitor the health of the Lagoon, investigates additional public access opportunities, and develops an educational program to uncover a few of the Lagoon's little-known points of interest.

Regionally, the committee participates in the on-going programs of the San Dieguito River Valley JPA, including the lagoon restoration plan, and monitors development that may have an adverse effect on the Lagoon. The committee oversaw the design and construction of Riverpath Del Mar, a meandering path along the southern bank of the Lagoon west of Jimmy Durante Blvd. As urban development further encroaches into the county's open spaces, the Lagoon Committee works hard to keep the San Dieguito Lagoon the regional treasure it is and endeavors to enhance the Lagoon's function, health, and accessibility.

SHORES ADVISORY COMMITTEE

The Shores Advisory Committee was established to oversee the Master Plan process to make sure that the process is open, inclusive and developing consensus amongst the many stakeholders. The Committee assists the community in prioritizing the many competing uses, discusses and provides advice to the City Council on the challenges facing the Master Plan process, and reviews and provides input to City Council on the Master Plan process.

Work Program: Conduct regular meetings as part of the Shores Park Master Plan process to hear community and stakeholder input during the process; facilitate the determination of community priorities; review the opportunities and constraints of the site; review the survey information; participate in the process for the development of a park vision; review preliminary program development and park planning alternatives, provide input into refined program and master plan development, recommendations and action plan. Regularly report to City Council on Committee progress. Serve as a conduit of information to the greater community and other duties assigned by the City Council, and where applicable, the City Manager. It is anticipated that the members will meet approximately monthly for the duration of the park master plan process.

SUSTAINABILITY ADVISORY BOARD

The Sustainability Advisory Board (SAB) was established to advise the Del Mar City Council on environmental issues on which they may take action, and in taking a leadership position in educating Del Mar residents and businesses about environmental issues. The SAB prepared Del Mar's Climate Action Plan that was adopted in June 2016, and its current efforts are centered around implementation of the Climate Action Plan, as well as other environmental issues of relevance to the City of Del Mar.

The board was established by Resolution 2011-10, and was previously the Energy Issues Advisory Committee.

TRAFFIC & PARKING ADVISORY COMMITTEE

Traffic and Parking Advisory Committee (TPAC) is a committee actively pursuing the improvement of the safety of pedestrians, bicyclists, and the motoring public in Del Mar. Whether it is an issue with speeding, reoccurring regulatory violations, traffic congestion, parking problems, or taking an interest in new technologies that can better serve the residents and visitors to Del Mar, TPAC works through the issues considering carefully the impacts on both local residents and users of our streets and sidewalks. Always considering safety, the committee works with Parking Enforcement, the Fire Department, the San Diego Sheriff's officers, City Manager's Office, Public Works Department, Planning Department, and the city's traffic engineer seeking the best solution to an issue before presenting a recommendation to the City Council.
