

CITY OF DEL MAR 2019 FUEL REDUCTION PROGRAM

July 22, 2019 - August 5, 2019

IMPROVE YOUR DEFENSIBLE SPACE!

PROTECT YOUR FAMILY AND HOME FROM WILDFIRES!

Improve the fire survivability of your home and community by eliminating overgrown vegetation on your property. Thin out vegetation and remove dead plants and tree material to reduce your fire load.

Please contact Waste Management at 1 (800) 386-7783 no later than July 19th for delivery of up to two three-yard bins for green waste during the program. There will be Free Curbside Vegetation Pickup for residents participating in the program.

To schedule an appointment for an inspection, please call the Del Mar Fire Department at (858) 755-1522 or email pgiannetto@delmar.ca.us.
