

2021 CITY OF DEL MAR FUEL REDUCTION PROGRAM

July 26, 2021 - August 6, 2021

IMPROVE YOUR DEFENSIBLE SPACE!

PROTECT YOUR FAMILY AND HOME FROM WILDFIRES!

Improve the fire survivability of your home and community by eliminating overgrown vegetation on your property. Thin out vegetation and remove dead plants and tree material to reduce your fire fuel load.

Please contact Waste Management at (866) 967-3292 no later than July 23 for delivery of up to two three-yard bins for green waste disposal during the program. There will be free curbside vegetation pickup for participating residents.

To schedule an appointment for an inspection, please contact the Del Mar Fire Department at weedabatement@delmar.ca.us or call (858) 755-1522
